

Your Perfect  
2012 Wedding...

Crowne Plaza Pelican Waters

# *Crowne Plaza Pelican Waters*

Your wedding..... the most magical and romantic day of your life. It is a moment in time that will linger in your heart and memory forever.

Whether you're planning a wedding for 10 or 250 guests, at dawn or on dusk, we promise a day to remember.

Inspire your senses with luxurious accommodation, glorious backdrops and first class service for a heavenly beginning to your life together.

At Crowne Plaza Pelican Waters Golf Resort & Spa, your wedding is important to us. We are also happy to help with other important decisions such as flowers, hair and makeup, theming, decorations, celebrant, photography and entertainment. Our Wedding Specialists can recommend preferred professional suppliers at your request.

# Your Ceremony

## Picture the setting of your special day...

Is your dream to recite your vows with the Glass House Mountains majestically beyond and the sun melting into the horizon? Would you prefer a poolside paradise with floating candles and the open air? Or perhaps your wedding wish is a little more regal, touched with tradition.

At Crowne Plaza Pelican Waters Golf Resort & Spa, the possibilities for your perfect wedding are endless. And because our wedding specialists share your enthusiasm and your excitement for the most romantic day of your life, they will help you create the wedding of your dreams in any one of our many magical settings.

## The Lawn

This is our premier wedding ceremony location and is the ultimate setting for a truly romantic ceremony. Framed by rolling greens, sculptured fairways and a lagoon lush with water lilies, your wedding pictures will be truly spectacular with this glorious backdrop. Come together at dusk and enjoy the heavenly colours of the sky as the sun sets on your wedding day.

## The Terrace

Relaxed and versatile, the Terrace is an ideal setting for a chic morning ceremony or a blissful moonlight service. This space is suited to intimate ceremonies and cocktail functions, taking full advantage of the cascading views to the resort style swimming pool, the montage of distant mountains, the forest and the stunning waterways.

## Poolside

Classically coastal, a poolside affair is simply perfect for small ceremonies. Blending the calm, crystal waters of the resort style pool with the lush greenery beyond, the occasion can be as casual or as formal as you desire.
